quick-takes

National Night Out

Our National Night Out Party will be at Tiller Park August 7th. Hope to see you there. Need people to enjoy the party.

Neighborhood Clean Up

August 24th is the date that has been set up for dumpsters to be at Tiller Park to collect non toxic trash as well as recyclable material from around the home. Hopefully those of you with transportation will be able to help your neighbors transport a few items to the dumpsters.

Eating fish from local waters

Richmond Harbor Channel area has a high level of chemicals in the water and soil that end up in the fish that live in the area.

Mercury, PCB's and other chemicals of concern have been found in fish from the San Francisco Bay. The amounts of chemicals found in fish in San Francisco Bay are not known to cause immediate sickness. But chemicals can collect in the body over time and may eventually affect your health or that of your children.

The Contra Costa County Health Services has an advisory for eating fish from the San Pablo Reservoir, the type and quantities per month.

For info call 1 877 662 8376

Join the Richmond Heights Yahoo! Group

A Yahoo! Group is an e-mail discussion group and can be a fabulous resource for community building. By sending an e-mail to the group e-mail address, it is distributed to everyone who is a member of the e-mail group. You also will receive all messages sent in by other members.

The goal of the Richmond Heights e-mail group is not only to get to know your neighbors, but to build community connections for people who live, work, or spend time in Richmond Heights.

Examples of posts include:

1. **Sharing Of Resources** - ex. "Does anyone know of a good mechanic close to Solano Avenue?"
2. **Neighborhood Watch** - ex. "I just saw someone who looked like they were breaking into a car on Garvin Avenue, keep an eye out"
3. **Community Announcements** - ex. "Adams School is having a crafts fair fundraiser, please come and support the students", or "A new restaurant just opened up on San Pablo, and it is fabulous!"

How to Join? Unfortunately, Yahoo doesn't make it simple, but here are some guidelines to help walk you through it.

If you already participate in Yahoo! Groups or have a Yahoo e-mail account it is much easier, you just need to:

- 1) sign into your account, 2) click on the following link http://groups.yahoo.com/group/richmond_heights/ and click on
- 3) "Join this Group."

If you do not have a Yahoo ID, then you will need to get one in order to join the group.

To get a Yahoo ID, follow these steps:

- 1) Go to <https://login.yahoo.com>
- 2) Under where it says "Don't have a Yahoo ID" click on "Sign Up"
- 3) Fill out the information that has been asterisked.
- 4) Assuming you do not want to use the new yahoo e-mail address that was just created for you, fill in the e-mail address that you do want to use for the e-mail group where it says "Alternate E-mail".
- 5) When you've completed the form click "Submit." Yahoo will now send you an e-mail link to your alternative e-mail to activate your new Yahoo ID.
- 6) Now go to your e-mail account to open this message, and then click on the link provided and this will activate your Yahoo ID.

Join the Richmond Heights Yahoo! Group

Once you have an active Yahoo ID, go to: http://groups.yahoo.com/group/richmond_heights/ then click on "Join this Group."

1) Step 1 (Contact information) Profile: Leave it as it is. E-mal: Choose the e-mail address you wish to receive the e-mails. Note: if there isn't an option to choose your non-yahoo e-mail address, then you may need to click on the link "verify" by your non-yahoo e-mail address. (Comment to owner) write a sentence or two to introduce yourself to the moderator so she knows you aren't a spammer.

2) Step 2 (Message delivery) There are 3 ways available for you to receive messages. The first is Individual E-mails, in which every message is sent to you individually. The second is Daily Digest, in which you receive all the day's messages in one e-mail. The third is No E-Mail, in which you will receive no e-mails but can read the messages by clicking on Messages on the home page. Since there is currently very little activity please choose either "Individual E-mails" or "Daily Digest". The third option is really for lists that receive dozens of e-mails each day, but this won't be the case.

Note that this group has restricted membership, which means that as the group's moderator I must approve your membership. This is done to protect the privacy of the members of the group by insuring that people joining the group have a legitimate interest in the group and aren't spammers.

Once I have approved your membership, you may send (post) a message to everyone in the group by simply writing an e-mail and addressing it to richmond_heights@yahoo.com.

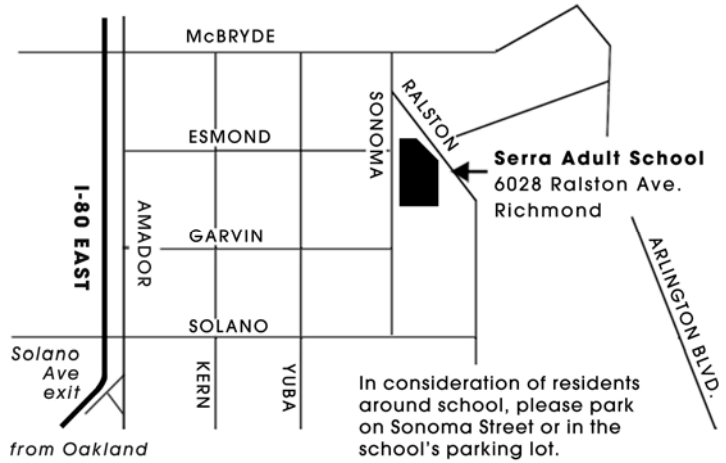

Need Technical Assistance?

E-mail Karen, the list's moderator at blockworkstheatre@yahoo.com and she'll help walk you through the process.

at the next RHNC meeting

Police Chief Chris Magnus

Police Chief Magnus will be our guest speaker at the August meeting to talk about comstat, cameras, bullet sound sensors, and more. Please come and give him and the Police Dept. a warm welcome.
